

DEEP

Type	pendant luminaire
item nr.	16/2110.09
GTIN (EAN)	4022671113489

description

Sometimes a still, unobtrusive surface conceals more than initially meets the eye. The DEEP pendant luminaire appears as a light, flowing drop and is yet crafted from massive aluminium and glass. The glass lens appears almost invisible, yet completes the shape, makes the light visible and carries its glow into the surrounding space. The first impression is gentle and soft, yet leaves one with a sense, that under a quiet surface lies a small new world.
